

"Connections Insider" Facebook Page

We have a Facebook page where OASIS Connections students and instructors get and share course and technology tips: www.facebook.com/connectionsinsider

Please participate in our page and encourage students to do so as well.
Direct students to visit our page during Internet and Facebook courses.

If you are a member of Facebook, sign in to your account and click the **Like** button so our postings will appear in your **News Feed**.

If you are not a member of Facebook, you can read our postings but you will not be able to post. To learn how to join and use Facebook, refer to the Connections short course student workbook *The Facebook Starter Kit*. Or, simply click the **Sign Up** link on our Facebook page.

The image shows a screenshot of the OASIS Connections Facebook page. The page layout includes a top navigation bar with the Facebook logo and a 'Sign Up' button. Below this is the OASIS Connections profile header, which includes the organization's name, a 'Like' button, and a 'Non-Profit Organization' label. The main content area displays a 'Wall' with several posts. The first post is from OASIS Connections, asking for survey feedback. The second post is also from OASIS Connections, announcing an update to the Healthy Living Online course. The third post is from Cathy Basinski, stating 'I like Facebook'. On the left side of the page, there is a sidebar with navigation options like 'Wall', 'Info', 'Photos', 'Discussions', and 'Links', along with a '35 people like this' indicator and a 'Likes' section featuring 'The OASIS Institute'. Three callout boxes provide instructions: one points to the 'Sign Up' button, another points to the main content area with the text 'Read postings in the center of the page. Scroll down for more.', and a third points to the 'Like' button with the text 'Facebook members sign in and then click the Like button for Connections posts to appear in your News Feed.'
